

What a short but jam-packed week!

First of all, thank you for joining us for F2, KS1 and KS2 Sports Day, it was a brilliant day and thoroughly enjoyed by everyone. From sack races to bean bags, running races to tank track team matt trials, it really was a fantastic atmosphere and even the sun joined us!

Keep an eye on our dates for your diary (overleaf) to ensure you don't miss out on the many other up and coming events.

F1 have started their Holidays and Travel topic and had a little taste of Italy when they made pizzas. If you have any holiday photos of your children that you would like to send to school, we would love to use them for our circle time discussions. Please remember to write on the back of the photograph about where you are on holiday and who is in the photo.

In F2 it has been a fantastic first week back, we have made Cheesecake, enjoyed Sports Day and taken advantage of the good weather.

This week the Penguins have worked really hard on reading measures and measuring objects. We have also been solving time problems. In literacy we are reading an alternative version of Jack and the Beanstalk. We loved Sports Day today.

This week the Butterflies had a brilliant PE lesson. They got to learn all about athletics and tested out their throwing skills.

The Rhino's had a fantastic day at Sports Day! Well done Rhino's.

This week the Ants have been creating their own Tutankhamen pictures by using mosaic.

This week the Meerkats have entered a digital art competition. We went into the garden in school and took pictures of the natural environment. Using these pictures we created collages, editing in the process.

Behaviour - Traffic Lights

At the Academy we use a 'Traffic Light' system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. The totals below show how many children have achieved this each week.

This week 280 children out of 289 have stayed in Green.

Well done!
