

It's a big thumbs up from the children at Estcourt this week as the lessons continue to create awe and wonder!

Next week sees the Tigers' children going pond dipping, lower KS2 are visiting the Hands on history Museum... We are also getting closer to the sponsored 'walk' event – don't forget to get sponsoring! As is the summer fair. Y6 will run a chocolate tombola stall this year and have asked for a non-uniform day next Friday – for donations of chocolate! Many thanks for your continued support!

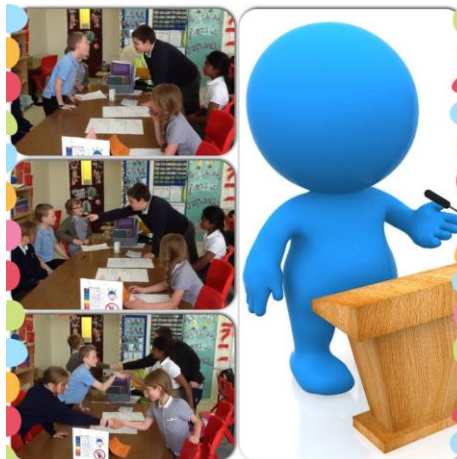

In Lions this week, we have worked extremely hard to produce some of our best work ever. We created our own versions of Jack and the Beanstalk, the children decided Jack should climb up rumbling rockets, giant wooden doors and silver swings attached to the clouds! Innovating our stories is so much fun.

We have been very busy in F2. We have done some fantastic writing about our story 'Sharing a Shell' and used some hammers, nails and wood to make some windmills. In cooking we made chilli with edible baskets. We were very brave and tried some Guacamole. Yum!!

This week the Penguins have enjoyed getting to grips with some new addition and subtraction games in Maths to help develop our mental maths skills. In Literacy we have been busy retelling Jack and the Beanstalk with our own unique twists on the story. Have a look on the blog to see some of our fantastic stories! In the afternoon we have worked hard to write our school reports to show you all what we have been up to this year.

Many of the Ants took part in a very successful debate session. It was heated and many valid points were made. Succession was taken gracefully. Well done Ants!

This week the Rhinos have worked hard, innovating the Jack and the Beanstalk story! They have also tried out some exciting new maths games!

Behaviour - Traffic Lights

At the Academy we use a 'Traffic Light' system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. The totals below show how many children have achieved this each week.

This week 280 children out of 289 have stayed in Green.

Well done!

It would be fantastic if you could search for a Facebook page called 'Community Respect Digital Art' The Meerkats class in Year 3 have had their art work uploaded onto this page and the piece of art with the most likes will be placed on display in Ferens Art Gallery. Thank you for your support.

Winners of the Coding Day at Victoria Dock, all of the children that took part were amazing ambassadors for our academy. The host Head Teacher said "Quick email to pass on my thanks for sending great children and staff today. I have heard super reports of how fabulous the children were and how involved staff were too" Mr D Kite.

This week the Meerkats have been working on their passing and dribbling skills for football in PE.

Exciting times – day one of rehearsals for the end of year production!!
