

Week 35 and with all of the end of year events approaching – things are really starting to gather pace!

Next week we have our sponsored walk / assault course on Wednesday 24th June. The children are looking forward to this immensely and are working on gaining sponsors – if you haven't had a sponsorship form yet it's not too late, just pop and see Mrs Shepherd in our office. We also have the Alton Towers trip for Year 6 to celebrate their amazing attitudes to learning in the run up to SATs.

A few parents have been asking about the end of year production. This year we are presenting 'The Wizard of Oz with a Hull Twist' on the 7th and 8th of July. We will confirm times next week!

Keep checking our date's section for updates!

F2 have been very busy this week, we have been making doughnuts which were very popular! We have also been sewing our own sea pictures, reading 'Sharing a Shell' by Julia Donaldson, exploring a rock pool and using Numicon to help us subtract.

This week(in Lions we) have been testing our maths mettle! We have been tackling lots of calculations and problems. We've also been checking the progress of our pumpkin plants and they have shot up in the lovely, warm weather . This has helped us with our instruction writing on how to build a beanstalk. We're expert horticulturists!

In F1 this week, we have been using papier mache to cover our balloons. We are making hot air balloons! It's messy but great fun! This activity ties in with our travel theme and we are singing a song called 'Up, up, up!' Look for it on YouTube and you can sing it at home too!

The Butterflies enjoyed learning all about healthy eating this week.

This week the Rhino's have worked hard writing instructions on how to make a giant beanstalk and in maths they have learnt how to find missing numbers!

TWEET OF THE WEEK

2 RETWEETS 1 FAVORITES

As ever our pupils showed fantastic etiquette and behaviour for learning as ambassadors of our academy whilst on a visit this week.

Behaviour - Traffic Lights

At the Academy we use a 'Traffic Light' system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. The totals below show how many children have achieved this each week.

This week 282 children out of 289 have stayed in Green.

Well done!

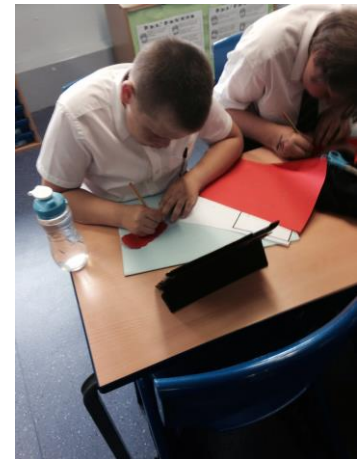

Frogs	Spiders	Penguins	Rhinos	Lions	Butterflies	Meerkats	Ants	Sharks	Tigers	Panthers	Leopards
23/23	24/24	22/22	21/21	22/23	26/26	34/34	30/32	19/20	27/27	18/18	15/18

The Ants, Meerkats and Sharks had an enjoyable day at the Hands on History Museum to study their Ancient Egypt topic further and are now experts at mummification! All the children behaved very well and received compliments about their behaviour. A brilliant day in all, well done to all the Sharks, Meerkats and Ants.

This week Year 6 have created a Jurassic Park themed double page involving completing activities surrounding all core subjects as well as D&T, science, Geography and ICT.

Mr Rennardson has been working with a group of Year 5's on a coding project. The children planned, designed and coded an app. Please visit <http://youtu.be/ieRMdxeM2dQ> to view the video.

Frogs 91.3% 0 lates	Spiders 93.3% 0 lates	Lions 92.2% 0 lates	Penguins 94.5% 1 late	Butterflies 98.8% 0 lates
Rhinos 94.3% 0 lates	ATTENDANCE AND LATES WHOLE SCHOOL 95.5% 8 LATES Attendance target for year is 96.5%. Year to date is 95.4%			Meerkats 97.1% 2 lates
Sharks 98.3% 2 lates	Ants 98.0% 0 lates	Tigers 90.4% 2 lates	Panthers 97.8% 0 lates	Leopards 100% 1 late

UPCOMING DATES
