Behaviour - Traffic Lights

At the Academy we use a 'Traffic Light' system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour; they would be in the right place, at the right time, doing the right thing. The totals below show how many children have achieved this each week.

This week **321** out of **329** children have stayed in Green.

Well done!

Pandas this week have focused on keeping the nursery a happy place to be so they have been learning to play nicely together; to be polite, to tidy toys and to understand behavioural expectations. Pandas earn stickers for super behaviour...come and take a look at how amazing they are! Pandas would love to see lots of parents next week at the Phonics Friday Session.

Frogs and Spiders made delicious pizzas this week. They also had lots of grown- ups for Friday Phonics.

Ladybirds have read The Three Little Pigs and have worked hard to write sentences using finger spaces and full stops.

Lions have shown resilience in maths this week using their counting skills. They have also used fruit to create a range of prints.

Leopards have been reading all about Charlie and The Chocolate Factory. 5 lucky children found a golden ticket in the classroom!

This week the Butterflies have been busy learning all about Neil Armstrong. They have enjoyed making rockets and finding out about his life.

Penguins have been working hard this week. They have been looking at The Giraffe, the Pelly and Me in more detail. They have also been working hard partitioning numbers in different ways.

The Eagles ,Tigers and Panthers thoroughly enjoyed having NAPA in to teach them new drama and dance skills.

This week the Meerkats class have worked hard with their newspaper writing. They spent the first day of the week analysing and reading the local newspapers.

On Monday 21st September some Hull FC players are coming in to visit the pupils as part of their 150 year anniversary celebrations.

Safeguarding

At Estcourt Primary Academy, the welfare of all our pupils is of great importance to us and we hope that parents are confident about their children's health and safety whilst in our academy. We will always try to share any concerns we have with parents. However, there are times when we are legally obliged to share our concerns with other agencies, without first speaking to parents, or without the consent of parents. The safety and protection of our pupils is our most important concern and we wish to reassure you that any sharing of information is done with the children's best interest at heart. If you have any concerns about the welfare or safety of any child in our school, the Child Protection Officer is Mrs Finn. In her absence, you should contact Mr Waterson. In addition,

Mrs Midgley-Wright, Leader of Learning works closely with Mrs Finn. They can be contacted through the school office. The academy has a duty to inform parents that there is a prohibition on reporting or publishing details (including on social media) that could identify anyone who is subject to an allegation.
