Behaviour – Traffic Lights

At the Academy we use a traffic light system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour; they would be in the right place, at the right time, doing the right thing. The totals below show many children have achieved this each week.

This week **331** out of **338** children have stayed in Green.

READ ALL ABOUT IT!

This week we began our growing topic by planting potatoes. "Will they be like the ones in a bag my mummy gets from Asda?" Freya asks. "We need to look after them and water them if it doesn't rain," she said. We also planted some beans and peas which the children are going to care for and watch grow!

Safeguarding

At Estcourt Primary Academy, the welfare of all our pupils is of great importance to us and we hope that parents are confident about their children's health and safety whilst in our Academy. We will always try to share any concerns with parents. However, there are times when we are legally obliged to share our concerns with other agencies, without first speaking to parents, or without the consent of parents. The safety and protection of our pupils is our most important concern and we wish to reassure you that any sharing of information is done with the children's best interest at heart. If you have any concerns about the welfare or safety of any child in our Academy, the Child Protection Officer is Mrs Finn. In her absence, you should contact Mrs Hewitt. In addition, Mrs Midgley-Wright, Leader of Learning and Mrs Capon, Safeguarding Support, work closely with Mrs Finn. They can be contacted through the Academy office. The Academy has a duty to inform parents that there is a prohibition reporting or publishing details (including on social media) that could identify anyone who is subject to allegation.
