### Behaviour – Traffic Lights

At the Academy we use a traffic light system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour; they would be in the right place, at the right time, doing the right thing. The totals below show many children have achieved this each week.

This week **333** out of **338** children have stayed in Green.

Well done!

Well done to all the Butterflies for all of their hard work this week during their SATs. They have shown such determination and have been absolute superstars! We are super proud of all of their efforts!

Butterflies-@EstcourtYear2

F2 have said goodbye to the chicks but have said 'hello' to our snails this week! In celebration of Hull City getting into the play offs, we have named them Steve and Bruce! They eat cucumber and lettuce so you are welcome to bring them a little snack.

FS2-@EstcourtFS2

In Maths the children have been focusing on challenging time problems and in Writing, the children created fantastic newspaper reports. It's lovely to see the children practising spellings at home.

Meerkats-@EstcourtYear4

This week, the Eagles have turned into scientists! They have looked at the circulatory system, evolution and adaption. They have looked closely into DNA and genes to see what they have inherited from their families and how this differs with their offspring including brothers and sisters. Furthermore, the Eagles have been studying the Galapagos Finches and how animals have adapted to their habitat. Following this, they studied fossils to see how these show changes from the past.

Eagles-@EstcourtYear6

What a fabulous week in Year 1! Lions and Ladybirds have been very excited to plant a sunflower and learn all about the different features of a plant. They have also started writing the story 'Jack and the Beanstalk' and are looking forward to improving this next week.

Ladybirds-@EstcourtYear1

SATs are over for Y2 Penguins they have been working extremely hard with all the tests and we are very proud of their attitude and resilience!

Our Y3 Penguins have been writing newspaper reports about George's Marvellous Medicine and doing problem solving involving addition and subtraction.

Penguins-@EstcourtYear2\_3

This week some of our Leopards took part in a rugby tournament! We are incredibly proud of all of them, as we received such positive feedback about the children's behaviour and team work!

**Well done Leopards!**

Leopards-@EstcourtYear3

This week Tigers have been 'Super Scientists' discovering how forces work. In Design Technology they have improved the materials used for this parachute above to help safely deliver an egg to the ground.

### Estcourt Sport

Children in Year 3 participated in the Hull F.C. Tag Rugby Festival on Wednesday. It's great to see the children work hard as a team and see their efforts pay off. The staff at Estcourt would like to personally thank all of the parents who came to support. It was great to hear you cheering the children on!

### Safeguarding

At Estcourt Primary Academy, the welfare of all our pupils is of great importance to us and we hope that parents are confident about their children's health and safety whilst in our academy. We will always try to share any concerns we have with parents. However, there are times when we are legally obliged to share our concerns with other agencies, without first speaking to parents, or without the consent of parents. The safety and protection of our pupils is our most important concern and we wish to reassure you that any sharing of information is done with the children's best interest at heart. If you have any concerns about the welfare or safety of any child in our school, the Child Protection Officer is Mrs Finn. In her absence, you should contact Mr Waterson. In addition, Mrs Midgley-Wright, Leader of Learning works closely with Mrs Finn. They can be contacted through the school office. The academy has a duty to inform parents that there is a prohibition on reporting or publishing details (including on social media) that could identify anyone who is subject to an allegation.
