Behaviour – Traffic Lights

At the Academy we use a traffic light system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour; they would be in the right place, at the right time, doing the right thing. The totals below show many children have achieved this each week.

This week **332** out of **338** children have stayed in Green.

This week F1 have been drawing pictures of what they would like their garden to look like e.g. 'lots of flowers'. They are painting the tyres to make into planters. If you have any plants to fill them please send them in. They have also been weeding and watching their vegetables grow bigger each day.

F2 have continued to be scientists this week; looking at mixing, floating and sinking and making observations of our class animals. They also had the arrival of another Frog 'Kermit II'. They have continued to write about the very busy spider and have been solving problems using Numicon during Maths sessions.

F2-@EstcourtFS2

This week the Panthers have shown much resilience whilst completing their tests. Through their hard work and determination we have already seen an outstanding improvement! The children have also worked hard on their presentation in Maths. Well done Panthers!

Panthers-@Estcourt_year5

In Year 1 this week the children have worked extremely hard. They have turned into scientists using their senses to investigate whether or not all paper is the same.

Lions-@EstcourtYear1 Ladybirds-@EstcourtYear1

This week Penguins have been learning about the Olympics and Brazil. They have enjoyed writing about this topic, using atlases to find out where Brazil is, using pencil tone to draw flags and compare ancient Olympics with present day. We look forward to watching the Olympics.

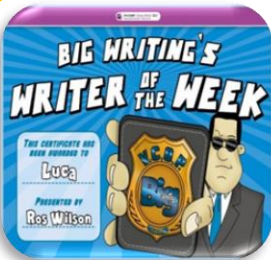

Penguins-@EstcourtYear2_3

We have had a super week in the Butterflies class this week! They have loved continuing to learn all about Brazil and created a non-chronological report about the country. The Butterflies also showed much resilience when solving time problems.

Butterflies-@EstcourtYear2

This week the Leopards worked tremendously hard in preparation for their Big Writing, they have enjoyed writing a story about Mo Farrah and his Olympic win. Luca showed some fantastic writing and even received a super certificate which made him 'Big Writing's Writer of the Week!' from Ros Wilson on twitter!

Well done to Luca and all of the Leopards class!

Leopards-@EstcourtYear3

We have had a busy week in Tigers this week. The children have been working extremely hard showing their resilience to tackle lots of maths challenges. They have also created their own Olympic figures out of clay and they look fantastic!

Tigers-@Estcouryear4_5

As the Meerkats children approach their final few weeks, they have been focusing very hard; in reading, they have taken their love of books outside and read Matilda. Also, the children have worked incredibly hard at using inverted commas, reasoning problems in Maths and how the Olympic Games have changed over time in Topic.

Meerkats-@EstcourtYear4

The Eagles can't quite believe that they are entering their last week of primary education. This week, they have been reflecting on their progress this year and how much they have all come on in such a short amount of time. The Eagles kindly took their time to speak to a few Year 5 pupils about the transition into Year 6.

Reward Trip Expectations

To qualify for the end of term reward trips pupils need to achieve the following standards:

- Read, at home, 4 times a week.
- Homework must be completed. Children will be given the opportunity to complete homework at dinner times.
- A specific homework club is being run on a Wednesday dinnertime to provide opportunities for children unable to complete their homework at home.
- Less than 10 lates per term.
- Children arriving from 9.00 and after will receive a late mark.
- Children must show consistent green behaviour and receive no more than 3 red cards in the term.
