

Week 7 Newsletter 21/10/2016

Behaviour – Traffic Lights

At the Academy we use a traffic light system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour; they would be in the right place, at the right time, doing the right thing. The totals below show many children have achieved this each week.

This week **338** out of **341** children have stayed in Green.

Spiders – Andrew	Leopards – Evie
Lions – Heath	Meerkats – Abigail
Penguins – Lacie	Tigers – Mazie
Butterflies – Kaleb	Panthers – Declan
	Eagles – Alexandru

As we come to the end of our Topic for this half term, it was fantastic to see such amazing homework from all.

This week we had a class full of little monkeys and colourful crocodiles, I think we are going to miss the jungle area! However, after seeing the emergency services down Estcourt Street we are looking forward to beginning our new topic about 'people who help us'.

F2 - @EstcourtFS2

We have worked together to be amazing Scientists in F2! We took our exploring skills outside and studied lots of different types of materials and found out lots of interesting facts!

Inside, we have been using our Numicon skills to explore lots of different ways to make 10 and we love using the working wall to help us.

F2 - @EstcourtFS2

We had plenty of interesting discussions in the Panthers this week. We were Scientists and looked at what would happen if we built on land in the desert and how we can all work together to be more eco-friendly.

Then, in Writing we've had a scary week! We loved the spooky themed classroom ready for our Big Writing!

Panthers - @EstcourtYear4

Ladybirds - @EstcourtYear_2

What a fantastic effort by all in Year Two this week! In Maths, we have all been really resilient as we learnt a range of multiplications methods. Then, in Writing we developed our learning by adding exciting adjectives to our super sentences.

We really enjoyed NAPA this week as we started to work on a brand new dance. It looks brilliant already!

Butterflies - @EstcourtYear2

Leopards - @EstcourtYear3

Throughout the week we have showed great resilience in the Sharks and Leopards. In Writing, we used plenty of adjectives to describe a setting and develop our writing skills. Additionally, in Maths we used practical aspects to aid us in our subtraction skills. During P.E. we worked on our passing and scoring skills in teams.

Enjoy the half term holidays Year 3!

Sharks - @EstcourtSharks

A big well done to Year 1! The Penguins and the Lions have been hard at work in Maths. We created our own number sentences to help us with mental calculations and worked really well as a team.

We have also been very busy practising for the Music Performance with our Boom Wackers. We can't wait to perform it!

Lions - @EstcourtYear1

Penguins - @EstcourtYr1

Eagles - @EstcourtYear6

What a great end to the first half term as Year 6 this has been. This week we have been tackling using bullet points in a list correctly as well as using them with a colon. Also, in Maths we have been tackling tricky problems linking fractions to decimals.

It has been an absolute pleasure to see how much these pupils have grown in their mind set to see that anything is possible. Keep flying high Eagles!

Tigers - @EstcourtYear_5

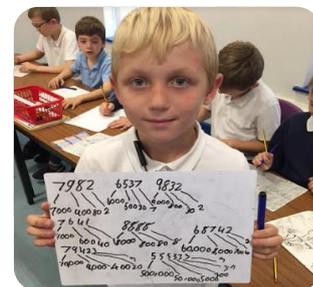

What a fantastic final week before half term. We have spent time perfecting our flags and the finished results are super! These flags are the children's representation of what Hull means to them presented in a collage using different textures. We have also been working towards creating a spooky story within our Halloween themed classroom. Read our stories on the school blog if you dare!

A huge well done to Sophie and AJ this week who won the Save fuel poster competition with Sewell Service Station! This week they collected their amazing prizes and we were all very proud. Make sure you keep a close eye out for their winning posters!

The last week before half term has been extremely busy in Meerkats! In Maths, we explored place value in greater depth and further developed our number skills.

Then, in Writing we focused on using exciting vocabulary so we could use them in our exciting Halloween horror stories.

Meerkats - @EstcourtYear4n5

Safeguarding

At Estcourt Primary Academy, the welfare of all our pupils is of great importance to us and we hope that parents are confident about their children's health and safety whilst in our Academy. We will always try to share any concerns with parents. However, there are times when we are legally obliged to share our concerns with other agencies, without first speaking to parents, or without the consent of parents. The safety and protection of our pupils is our most important concern and we wish to reassure you that any sharing of information is done with the children's best interest at heart. If you have any concerns about the welfare or safety of any child in our Academy, the Safeguarding leader and Emotional Well Being Leader is Mrs Finn, in addition, the Child Protection Officer is Mrs Capon. In her absence, you should contact Mrs Hewitt. They can be contacted through the Academy office. The Academy has a duty to inform parents that there is a prohibition reporting or publishing details (including on social media) that could identify anyone who is subject to allegation.
