

### **Estcourt Primary Academy Sport Premium Report 2016-2017**

In 2016/2017 Estcourt Primary Academy will receive the fourth year instalment of PE funding. The funding will be used in a variety of ways to further improve and develop teaching and learning across the whole academy. We will encourage pupils to continue to lead healthy lifestyles, enjoy PE and Sport and experience high quality teaching. They will be encouraged to take part in competition and aim for sporting excellence. Throughout 3 of the 4 years we have employed a specialist teacher to work alongside our teachers to develop their skills and knowledge to enhance the quality of the teaching of physical education.

Having already seen impact of the funding from the previous 3 years we expect for this additional funding to have continued and sustained impact on provision of PE and sport within our academy. Learning walks, lesson observations and monitoring by SLT and the PE leader as well as a termly PE report, have identified the following areas to address in PE coaching this year: high quality coaching in KS1 and KS2, increased awareness of healthy lifestyles, increased quality of warm ups and agility games to build up stamina. Pupils will also have many opportunities to participate in competitive events in various locations.

Amount of Primary School Sports Grant Received	
Primary School Sports Grant Lump Sum	£9715
Total number of pupils on roll	343
Proposed amount spent	£6,126 (£3,589 still available)

Objective	What are we going to do?	How are we going to do it?
Physical Education Raising the standard of teaching and learning in PE: a focus on 2 new teachers to the academy	To improve the PE curriculum and the quality of teaching and learning	Coaching and mentoring of 2 new teachers by utilising the skills of the PE lead in the academy and by high quality CPD opportunities. Rigorous observation of lessons by PE lead and SLT, focusing on ensuring that the quality of PE teaching at least matches that in the core subjects.
Competitive School Sport Increase participation levels in extracurricular sport	To continue and extend the opportunities for competitive and non-competitive sport with other local schools and academies and regional academies, with a focus on SEND pupils.	Maintain current competitive activities -PE lead to organise tournaments to link with skills being taught in classes (tag rugby, dodge ball, football, cross country, biathlon, swimming, table tennis, athletics, netball, hockey) - PE lead to organise cluster competitions - PE lead to liaise with secondary schools and local clubs for sport
Healthy Active Lifestyles Ensuring all children are encouraged to take regular exercise	To improve the health choices of our pupils and lead an active lifestyle.	Through children participating in sports and games both within the Academy and with partner schools and Academies locally. Including Change for Life and other multi-agencies.
To gain a Gold Quality Mark Standard	Continuous monitoring against the criteria, with a particular focus on attending more inclusion events, and more KS2 children officiating events.	PE Lead to identify and map out and facilitate the necessary provision.
