## Behaviour – Traffic Lights

At the Academy we use a traffic light system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour; they would be in the right place, at the right time, doing the right thing. The totals below show many children have achieved this each week.

This week **339** out of **342** children have stayed in Green.

**Well Done!**

In F1 we have had a fantastic week learning about the Dentists!

We started to look at what we need to brush our teeth and how we can do this properly every day. Then, we looked at the type of food that is best for keeping our teeth healthy and clean!

F1 - @EstcourtFS1

In F2 we have been exploring the changing seasons and have made a leaf man outside experimenting with colour, form and texture.

We have really enjoyed making repeating patterns in Maths and Writing all about people who help us during English and Big Writing sessions.

F2 - @EstcourtFS2

What an exciting week in year 1!

The Lions and Penguins are Writing a narrative based on 'The Bear Hunt' and we have had a fun time acting out the story. In Design and Technology we used a range of joining skills to create a scarecrow for our 'On the Farm' topic page.

A superb week has been had by all in the Butterflies and Ladybirds this week. They have thoroughly enjoyed continuing to learn all about the Great Fire of London in Topic.

As Geographers, they compared the city with the countryside and looked at the similarities and differences. As Historians, they looked into the history of the fire brigade.

What an amazing week for Year 2!

Ladybirds @EstcourtYear 2 Butterflies - @EstcourtYear2

This week the Sharks and the Leopards have loved learning more about World War Two and the Blitz.

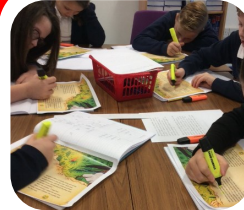

We have looked at which cities were most affected by the bombings and we used a range of different sources to help us with our historical questions.

Leopards - @EstcourtYear3 Sharks - @EstcourtSharks

In Meerkats this week we worked on a range of different skills!

We learnt all about World War Two in our Reading sessions as well as reading a range of different fiction texts. In rugby we learnt about how we could pass a rugby ball accurately and precisely.

Then, we also got the chance to watch a play all about dementia at the local community centre.

Meerkats - @EstcourtYear4n5

We have been very busy in the Panthers class this week!

In Maths we developed our work on perimeter and area by drawing our own shapes. Then in Writing, poems were our focus! We looked at the trenches and how we could use rhyming couplets to create emotion. We also really enjoyed our trip to the community centre to see 'Grandma remember me?'

Panthers - @EstcourtYear4

The Eagles have been so lucky this week to have had Hobson and Porter invited into their classroom to complete practical Maths activities.

All the boys and girl enjoyed getting stuck into the different tasks up for grabs. As well as this, we have continued to work on the heart, particularly thinking about the effects of exercise on the heart beat.

Eagles- @EstcourtYear6

The Tigers have had a very Busy week!

We have challenged ourselves by learning to convert between 12 and 24 hour time. Additionally, we used our knowledge to search through pirate timetables focusing on interval problems.

The class have worked hard on developing some super 'Anti-Bullying' poems and can't wait to show these off to the rest of the Academy.

Keep up the focus next week Tigers!

Tigers - @EstcourtYear\_5

### Eden Camp

This week the Sharks, Leopards, Panthers and Meerkats were lucky enough to get the opportunity to visit Eden camp as part of our Horrible Histories Topic. We have learnt and experienced so much and were excellent historians reliving life in War time Britain!

Mrs Howe is collecting any cereal boxes for an exciting Academy project. If you happen to have any at home please drop them off at the office.

### Reward Trip Expectations

To qualify for the end of term reward trips pupils need to achieve the following standards:

- Read at home 4 times a week
- Homework must be completed. Children will be given the opportunity to complete homework at lunch times
- A specific homework club is being run on a Wednesday dinner time to provide opportunities for children unable to complete their homework at home.
- Less than 10 lates per term
- Children arriving from 9.00 and after will receive a late mark.
- Children must show consistent green behaviour and receive no more than 3 red cards in the term.
