

Week 24 Newsletter 17/3/17

Behaviour – Traffic Lights

At the Academy we use a traffic light system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour; they would be in the right place, at the right time, doing the right thing. The totals below show many children have achieved this each week.

This week **357** out of **362** children have stayed in Green.

Well Done!

Pandas	Frogs	Spiders	Penguins	Lions	Butterflies	Ladybirds	Sharks	Leopards	Meerkats	Panthers	Tigers	Eagles
66/66	24/24	21/21	23/23	28/28	20/20	19/19	19/20	19/19	27/28	31/31	25/28	35/35

Frogs	95.0% 1 late
-------	--------------

Spiders	95.2% 0 lates
---------	---------------

Penguins	97.8% 1 late
----------	--------------

Lions	97.1% 0 lates
-------	---------------

Butterflies	100% 0 lates
-------------	--------------

Ladybirds	80.0% 1 late
-----------	--------------

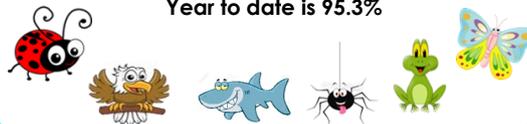

Attendance and Lates

Whole School:

95.4% 4 Lates

Our attendance target for the year is 96.5%

Year to date is 95.3%

Sharks	93.5% 1 late
--------	--------------

Leopards	96.3% 0 lates
----------	---------------

Meerkats	96.1% 0 lates
----------	---------------

Panthers	97.7% 0 lates
----------	---------------

Tigers	96.4% 0 lates
--------	---------------

Eagles	96.0% 0 lates
--------	---------------

Upcoming Key Dates

Every Mon 8.45am-9.00am	Stay and Read Years 1 to 3
Every Wed 2.30-3.00pm	Parent Drop in with Mrs Finn & Mrs Leslie
Every Fri 8.45am-9.15am	Phonics Friday for F1&F2
Tuesday 21st March	Parents' evening
Tuesday 21st & Wed 22nd March	Y1 Fruit tasting and Healthy Eating Activities
Thursday 23rd March	Adult Ed' English Course (Contact office for details)
Thursday 23rd March	Meerkats Visit to Airco Arena (Squash coaching)
Friday 24th March	Red Nose Day
Friday 31st March	Easter Fayre and Easter bonnet/garden competition (details to follow)
Friday 7th April	Rock Challenge

Clubs

6/03/17—

Monday

iPad	Mrs Amor
Science	Miss Suthers
Football	Mr Kelly
Athletics	Mr Forrest
Climbing	Mr Rennardson

Tuesday

Film	Miss England
Football Team Training	Mr Forrest
Cookery	Mrs Garrard
Dance	Miss Newlove
Glee	Miss Fox

Wednesday

Disney	Miss Jeacock
Sewing	Miss Puckering
Lego	Mrs Hewitt
Football KS2	Miss Shepherd
Art	Mr Ullah

Stars of the Week!

Pandas - Brax and Lacey

Sharks - Daniel C

Frogs - Ebony

Leopards - Ola

Spiders - Marcus

Meerkats - Daniel K

Lions - Jayden

Tigers - Nicole

Penguins - Lillie-Anne

Panthers - Amelia H

Ladybirds - Jayden W

Eagles - Robert

Butterflies - Elliot

This week in F1 we are learning all about seahorses, the children have painted, decorated and drawn sea horses. Did you know that the male sea horse carries the baby during pregnancy?

F1 - @EstcourtFS1

In F2 this week we have been using Numicon to help us subtract. We have been writing all about things we find under the sea inspired by books like Sharing a Shell and The Singing Mermaid. We even got a message from the illustrator of the books, Lydia Monks praising us for all of our hard work.

F2 - @EstcourtFS2

Another fantastic week in Year 1! In Maths the children have moved on to looking at multiplication and have shown great resilience in learning the 2 times tables. In Writing they have enjoyed learning facts all about different sea creatures and are using these to write a report. Did you know that seahorses eat nearly 3000 shrimp every day? As Artists Lions and Ladybirds have developed in their sketching skills and have sketched The Deep.

Lions - @EstcourtYear1
Penguins - @EstcourtYr1

Continuing their Hull topic, Sharks and Leopards have studied Amy Johnson and have written some fantastic diary accounts of her adventures. Year 3 Sharks visited the Blade and spoke to a Siemens representative about wind turbine energy. It was very informative! To improve their Writing they have worked hard to include a range of conjunctions.

Leopards -@EstcourtYear3
Sharks - @EstcourtSharks

What an amazing week Year 2 have had this week! As researchers they have enjoyed learning facts all about Arctic animals which they will be using to write a report. They were amazed that walrus have 450 whiskers! In Topic, they have enjoyed looking at the explorers that came from Hull and travelled to Antarctica. As Geographers, Year 2 have investigated the weather in Hull and Antarctica. They have also enjoyed looking at boats from the past.

This week in Meerkats, the children have worked tremendously hard using long multiplication methods. In Writing, they have created a superbly detailed recount of Neil Armstrong's famous venture to the Moon. While in P.E. the children have performed challenging balances and stretches on a wide range of apparatus.

Meerkats @EstcourtYear4n5

This week the Panthers have used their relationships to work hard across all areas of the curriculum. In spelling we have developed our understanding of words that end in 'cian' and applied them into sentences. In Maths we partitioned numbers and used dice to round to 10, 100 and 1000. Additionally, In Topic we learnt all about Amy Johnson and used an Atlas to plot the main features she used, such as the Equator.

Panthers - @EstcourtYear4

As always, a magnificent week in the Year 6 classroom! This week, the children have worked really hard at their times tables. They have used the website 'Hit The Button' to improve their scores as well as compete against one another in timed challenges. As scientists, they have been working meticulously to identify the areas of a plant.

Eagles-@EstcourtYear6

The Tigers have loved the competition and encouragement whilst taking part in the Maths times tables challenge week. In Maths, we have been working on dividing 4 digit numbers with 1 and 2 digit numbers. All children are excelling with this! In Science we have continued to work on materials and their properties and have been classifying solids. They cannot wait for more scientific investigations next week!

Tigers - @EstcourtYear_5

Safeguarding—e safety

Please take the time to look at the following links to help keep your child safe online.
