## Behaviour – Traffic Lights

At the Academy we use a traffic light system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. For children to display green behaviour; they would be in the right place, at the right time, doing the right thing. The totals below show many children have achieved this each week.

This week **359** out of **362** children have stayed in Green.

In F1 this week we have loved our 'Under the Sea' theme. We have studied plenty of books including 'The Rainbow Fish'. We have really enjoyed creating plenty of sea-themed crafts and taking ourselves on quests to find the treasure!

F1 - @EstcourtFS1

This week it was lovely to see some of the afternoon parents at stay and read. Don't forget to join us every Monday at 8.45-9.00 or 12.15-12.30. In Foundation we have been reading a lot of under the sea stories such as The Singing Mermaid, The Rainbow Fish and Sharing a Shell. We have been role playing as pirates and have been on a lot of treasure hunts.

F2 - @EstcourtFS2

It has been an exciting week in Year 1! Lions and Penguins enjoyed the visit from Tesco. The children had the opportunity to try all of the ingredients which are used to make hot cross buns as well as design and make Easter eggs. In Maths, the children have continued to show resilience and have been working on doubling numbers. The children have also looked at similarities between Hull and Mexico city in Geography.

Penguins - @EstcourtYr1

We have had a challenging week in the Sharks and Leopards class. We are working incredibly hard on our NAPA performance ready to showcase very soon! We have been showing fantastic resilience with our maths work, calculating change and building reasoning skills with money. Additionally, we have loved learning more about Amy Johnson and her historical journey!

Leopards - @EstcourtYear3  
Sharks - @EstcourtSharks

This week, Year Two were lucky enough to go on a trip to Bridlington Spa to see Goldilocks and the Three Bears ballet. This was a finale for our topic 'Once Upon a Twist'. We had a fantastic time and thoroughly enjoyed watching it. We have also been extremely resilient this week whilst practicing test style questions. Well done Year Two on a brilliant week, we are very proud of you all!

Ladybirds @EstcourtYear\_2  
Butterflies - @EstcourtYear2

This week we have been continuing to develop our work on our times tables and we have loved challenging ourselves to beat our scores! Then as historians, we have been learning all about Amy Johnson and what others thought about her adventures - then and now! Finally, we showed our resilience skills by working on our subtraction in Maths.

Meerkats @EstcourtYear4n5

We've had an amazing week in the Panthers! We wrote a newspaper report about the terrifying dragon that landed in Estcourt Street in Big Writing. Then, as artists, we used different brush techniques by using the back of our paintbrush to create dots for an Amy Johnson Moth design. Also, we created some amazing non-chronological reports about Luke Campbell and he even liked our tweet!

Panthers - @EstcourtYear4

Eagles have had a fantastic Science lesson investigating how plants adapt to their environment. We are trying to germinate seeds in different areas of the Academy. Some have been more successful than others. In our Writing, we have been looking at explanation texts and we have created some fantastic pieces of writing. Fractions, percentages and decimals have also been tackled in great depth. Thank you to all parents for attending our SATS open evening and discussing your children's progress.

Eagles-@EstcourtYear6

Our work ethic this week has been Astounding! We have worked hard tackling problems in Maths on composite area and perimeter. Our multiplication knowledge is still growing and in Writing we have continued to use Hull's sports legends for inspiration to develop our reports. Additionally, we have had fun tackling commas for clarity and in PE we have demonstrated strength and skill by forming shapes.

Tigers - @EstcourtYear\_5

#### Leadership signposting

If you have any questions or queries in the first instance, please see your child's class teacher, Mrs Finn or Miss England who are usually on the playground before and after the academy day. If after speaking to an academy leader you require to speak to a senior leader, then Miss Oldroyd or Mrs Hewitt will be more than happy to help you.
